PDP2 Polyclonal antibody

Catalog Number:13404-1-AP 2 Publications

Basic Information	Catalog Number: 13404-1-AP	GenBank Accession Number: BC028030	Purification Method: Antigen affinity purification	
	Size: 150ul, Concentration: 500 µg/ml by Nanodrop and 380 µg/ml by Bradford method using BSA as the standard; Source: Rabbit Isotype: IgG Immunogen Catalog Number: AG4257	GeneID (NCBI):	46 WB 1:500-1:2000 PROT ID: IHC 1:20-1:200	
		57546		
		UNIPROT ID: Q9P2J9		
		Full Name:		
		pyruvate dehydrogenase phosphatase isoenzyme 2		
				Calculated MW: 529 aa, 60 kDa
		Observed MW: 53 kDa		
		Applications	Tested Applications:	Positive C
WB, IHC, ELISA Cited Applications: WB			WB : mouse skeletal muscle tissue, HeLa cells, mouse kidney tissue	
Species Specificity: human, mouse, rat	IHC : mouse brain tissue, human lymphoma tissue			
Cited Species: human, mouse Note-IHC: suggested antigen retrieval with TE buffer pH 9.0; (*) Alternatively, antigen retrieval may be performed with citrate buffer pH 6.0				
				PDP2, is the Ca2+-insensitive isoform of pyruvate dehydrogenase phosphataseis and found in liver and adipose tissue. In adipose tissue,insulin reduces the concentration dependence of PDP2 activity for Mg2+(PMID:12676647).I catalyzes the dephosphorylation and concomitant reactivation of the mitochondrial pyruvate dehydrogenase multienzyme complex.It can be detected the mature (52 kDa) and the immature (60 kDa) bands in western blot.
Background Information	tissue. In adipose tissue, insulin reduc catalyzes the dephosphorylation and	ces the concentration dependence of concomitant reactivation of the mi	f PDP2 activity for Mg2+(PMID:12676647) tochondrial pyruvate dehydrogenase

This product is exclusively available under Proteintech Group brand and is not available to purchase from any other manufacturer.

Selected Validation Data

mouse skeletal muscle tissue were subjected to SDS PAGE followed by western blot with 13404-1-AP (PDP2 antibody) at dilution of 1:300 incubated at room temperature for 1.5 hours. Immunohistochemical analysis of paraffinembedded mouse brain tissue slide using 13404-1-AP (PDP2 Antibody) at dilution of 1:50 (under 10x lens). Immunohistochemical analysis of paraffinembedded mouse brain tissue slide using 13404-1-AP (PDP2 Antibody) at dilution of 1:50 (under 40x lens).
