Anticorps Monoclonal anti-CD45RA

Numéro de catalogue:[APC-65108](#)

Informations de base

Numéro de catalogue:	BC014239	Méthode de purification:
APC-65108	Purification par affinité	
Taille:	Identification du gène (NCBI):	CloneNo.:
100tests , 5 µl/test	5788	HI100
Hôte:	Nom complet:	Dilutions recommandées:
Mouse	protein tyrosine phosphatase, receptor type, C	IF 1:150-1:600
Isotype:		Excitation/Emission maxima wavelengths:
IgG2b, kappa		650 nm / 660 nm

Applications

Applications testées:	Contrôles positifs:
FC, IF	IF : cellules mononucléées de sang périphérique
Spécificité de l'espèce:	humain,
Humain	

Informations générales

CD45, also known as protein tyrosine phosphatase, receptor type C, is a type I transmembrane protein expressed on the surface of all haematopoietic cells with the exception of erythrocytes and platelets (PMID: 3489673; 28615666). CD45 is a pan-haematopoietic cell marker and has been shown to be essential for T- and B-cell activation and signalling (PMID: 9429890; 16378097). CD45 exists as multiple isoforms due to alternative splicing of three exons (4, 5, and 6, designated A, B, and C) in the extracellular domain (PMID: 12414720). CD45RA is expressed on naïve T cells, B cells, and monocytes (PMID: 1830500; 14687231).

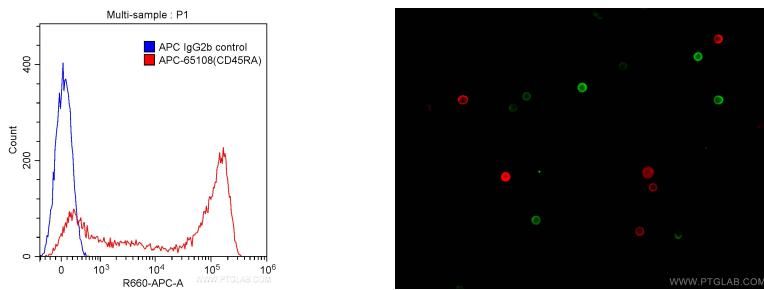

Stockage

Stockage:
Store at 2-8°C. Avoid exposure to light. Stable for one year after shipment.
Tampon de stockage:
Tampon à base de phosphate avec azoture de sodium à 0,09 % et gélatine à 0,1 %, pH 7,2.

This product is exclusively available under Proteintech Group brand and is not available to purchase from any other manufacturer.

Données de validation sélectionnées

1X10⁶ human peripheral blood lymphocytes were surface stained with 0.125 ug APC-Anti-Human CD45RA (APC-65108, clone HI100) (red) or 0.125 ug APC-mouse IgG2b isotype control (blue). Cells were not fixed.

Immunofluorescent analysis of human peripheral blood mononuclear cells (PBMCs) using APC Anti-Human CD45RA (APC-65108, Clone: HI100) and CoraLite®488-conjugated Anti-Human CD45RO (CL488-65150, Clone: UCHL1) at dilution of 1:300.
