## OXR1 Polyclonal antibody Catalog Number:13514-1-AP 8 Publications

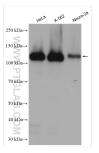

Basic Information	Catalog Number: 13514-1-AP	GenBank Accession Numb BC032710	er: Purification Method: Antigen affinity purification	
	Size: 150ul , Concentration: 450 ug/ml by Nanodrop; Source: Rabbit Isotype: IgG Immunogen Catalog Number: AG4439	GeneID (NCBI): 55074 UNIPROT ID: Q8N573 Full Name: oxidation resistance 1 Calculated MW: 758 aa, 85 kDa Observed MW: 120-140 kDa	Recommended Dilutions: WB 1:2000-1:16000 IHC 1:50-1:500	
Applications	Tested Applications:	Po	sitive Controls:	
	WB, IHC, ELISA	W	WB : HeLa cells, K-562 cells, Neuro-2a cells	
	Cited Applications: WB, IHC, IF		C : human pancreas cancer tissue, mouse brain sue	
	Species Specificity: human, mouse		SUE	
	Cited Species: human, mouse, rat			
	Note-IHC: suggested antigen ( TE buffer pH 9.0; (*) Alternati retrieval may be performed w	vely, antigen		
	buffer pH 6.0			
Background Information	Oxidation resistance protein 1 (OXR: expression of genes that alleviate or (ROS) and the stress these molecules neurodegeneration in multiple disea 33384581).Biochemical experiments holoenzyme, suggesting that OXR1 p	tidative stress by increasing cause the cell. OXR1's abil ses strongly suggests that i show that OXR1 inhibits V lays a direct role in V-ATPa 25, 28, 34, 56, 94, 95 and 98	t can be an effective therapeutic target (PMID: L-ATPase and causes disassembly of the se regulation (PMID: 34918374). OXR1 has 8 kDa. Sometimes higher molecular weight arou	
	Oxidation resistance protein 1 (OXR: expression of genes that alleviate or (ROS) and the stress these molecules neurodegeneration in multiple disea 33384581).Biochemical experiments holoenzyme, suggesting that OXR1 p isoforms with the molecular mass of 120-140 kDa can also be observed, w	tidative stress by increasing cause the cell. ## Selected Validation Data

Various lysates were subjected to SDS PAGE followed by western blot with 13514-1-AP (OXR1 antibody) at dilution of 1:8000 incubated at room temperature for 1.5 hours.

Immunohistochemical analysis of paraffinembedded mouse brain tissue slide using 13514-1-AP (OXR1 antibody) at dilution of 1:200 (under 40x lens). Heat mediated antigen retrieval with Tris-EDTA buffer (pH 9.0). Immunohistochemical analysis of paraffinembedded human pancreas cancer tissue slide using 13514-1-AP (OXR1 antibody) at dilution of 1:200 (under 40x lens). Heat mediated antigen retrieval with Tris-EDTA buffer (pH 9.0).
