CIRBP Monoclonal antibody

Catalog Number: 60025-1-Ig **3 Publications**

Basic Information

Catalog Number: 60025-1-Ig	GenBank Accession Number: BC000403	Purification Method: Thiophilic affinity chromatograph
Size: 150ul	GeneID (NCBI): 1153	CloneNo.: 6G3H10
Source: Mouse	UNIPROT ID: Q14011	Recommended Dilutions: IHC 1:20-1:200
Isotype: IgM	Full Name: cold inducible RNA binding protein	
Immunogen Catalog Number: AG0280	Calculated MW: 172 aa, 19 kDa	

Applications

Tested Applications: IHC, ELISA	Positive Controls: IHC : human breast cancer tissue,
Cited Applications: WB, IF	
Species Specificity: human, mouse	
Cited Species: rat	
Note-IHC: suggested antigen retrieval with TE buffer pH 9.0; (*) Alternatively, antigen retrieval may be performed with citrate buffer pH 6.0	

Background Information

CIRBP, also named as A18HNRNP and CIRP, is a cold-inducible mRNA binding protein that plays a protective role in the genotoxic stress response by stabilizing transcripts of genes involved in cell survival. CIRBP is also involved in cap-independent translation upon moderate cold-shock. It acts as a translational activator. CIRBP is a suppressive rather stimulatory effect on proliferation. It acts as a translational repressor. CIRBP is an immortalized gene in murine primary cells. CIRBP promotes assembly of stress granules (SGs), when overexpressed. It is a potential proto-oncogenic proteins upon overexpression. (PMID:19900510) Suppression of CIRBP increased the apoptotic cell population of neural stem cells at moderate low temperature. (PMID:20735994) This antibody can bind the close sequences genes. This antibody is a mouse monoclonal antibody raised against full length CIRBP of human origin.

Notable Publications

Author	Pubmed ID	Journal	Application
Claire Coderch	29137939	Bioorg Med Chem	WB
Ignacio M Larrayoz	27556928	PLoS One	WB

Storage

Storage:
Store at -20°C. Stable for one year after shipment.
Storage Buffer:
PBS with 0.1% sodium azide and 50% glycerol pH 7.3.
Aliquoting is unnecessary for -20°C storage

*** 20ul sizes contain 0.1% BSA

This product is exclusively available under Proteintech Group brand and is not available to purchase from any other manufacturer.

Selected Validation Data

Immunohistochemical analysis of paraffin-embedded human breast cancer tissue slide using 60025-1-Ig (CIRBP Antibody) at dilution of 1:50.
