For Research Use Only

DDX18 Recombinant antibody

Catalog Number:85789-2-RR

Basic Information

Catalog Number: GenBank Accession Number:

85789-2-RR BC001238 GeneID (NCBI): Size:

100ul , Concentration: 1000 $\mu g/ml$ by 8886 Nanodrop: **UNIPROT ID:** Q9NVP1 Rabbit Full Name:

Isotype: DEAD (Asp-Glu-Ala-Asp) box

polypeptide 18 IgG Immunogen Catalog Number: Calculated MW: AG27457 75 kDa

> Observed MW: 80 kDa

Applications

Tested Applications:

WB, ELISA

Species Specificity:

human

250053A4 Recommended Dilutions:

CloneNo.:

WB 1:5000-1:50000

Purification Method:

Protein A purification

Positive Controls:

WB: HEK-293T cells, HeLa cells, K-562 cells, Jurkat

Background Information

DDX18 (DEAD-box helicase 18) is a protein belonging to the DEAD-box deconjugating enzyme family that is widely involved in RNA metabolism. It plays a key role in the assembly of the ribosomal small subunit (SSU) and ensures efficient intracellular protein synthesis. DDX18 unwinds RNA double strands through its deconjugating enzyme activity, which is essential for the proper processing and functional execution of RNA molecules. In addition, DDX18 is a multifunctional RNA deconjugating enzyme involved in a variety of signaling pathways, playing a key role not only in ribosome assembly and RNA metabolism, but also in the regulation of a variety of biological processes such as cell cycle, genome stability and stem cell pluripotency.

Storage

Store at -20°C. Stable for one year after shipment.

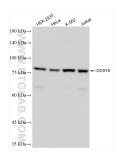

Storage Buffer:

PBS with 0.02% sodium azide and 50% glycerol, pH7.3

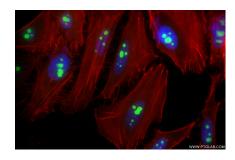

Aliquoting is unnecessary for -20°C storage

*** 20ul sizes contain 0.1% BSA

Selected Validation Data

Various lysates were subjected to SDS PAGE followed by western blot with 85789-2-RR (DDX18 antibody) at dilution of 1:10000 incubated at room temperature for 1.5 hours.

Immunofluorescent analysis of (4% PFA) fixed HeLa cells using DDX18 antibody (85789-2-RR, Clone: 250053A4) at dilution of 1:2500 and CoraLite@488-Conjugated Goat Anti-Rabbit IgG(H+L) (SA00013-2), CL594-Phalloidin (red).
