For Research Use Only

CoraLite®594-conjugated Glucagon Monoclonal antibody

proteintech®
Antibodies | ELISA kits | Proteins
www.ptglab.com

Purification Method:

Protein G purification

Recommended Dilutions:

Excitation/Emission maxima

IF-P 1:200-1:800

wavelengths: 588 nm / 604 nm

CloneNo.:

2A8G1

Catalog Number: CL594-67286 1 Publications

Basic Information

Applications

Catalog Number: GenBank Accession Number:

CL594-67286 BC005278
Size: GeneID (NCBI):

100ul , Concentration: 1000 ug/ml by 2641

Nanodrop; UNIPROT ID: Source: P01275

Mouse Full Name: Isotype: glucagon

IgG1 Calculated MW:
Immunogen Catalog Number: 180 aa, 21 kDa

AG10629

Positive Controls:

IF-P: mouse pancreas tissue,

Tested Applications: IF-P

Cited Applications:

IF

Species Specificity: Human, mouse Cited Species: human, mouse

Background Information

Glucagon is a 29-amino acid peptide hormone secreted from the pancreatic alpha cells with a powerful stimulatory effect on hepatic glucose production acting to increase plasma glucose levels. Glucagon is best known as the counter-regulatory hormone to INS, and normal glucose homeostasis depends largely on the balanced secretion of INS and glucagon from the pancreatic beta and alpha cells, respectively. The regulation of glucose metabolism by glucagon is mediated by its direct action on the peripheral tissues such as the liver and also by the brain. Glucagon is also released postprandially in a transient manner, which was shown to be involved in inhibition of food intake via reduction of meal size.

Storage

Storage:

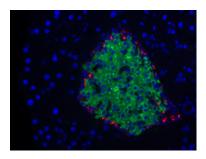

Store at -20°C. Avoid exposure to light. Stable for one year after shipment.

Storage Buffer:

PBS with 50% glycerol, 0.05% Proclin300, 0.5% BSA, pH7.3

Aliquoting is unnecessary for -20°C storage

Selected Validation Data

Immunofluorescent analysis of (4% PFA) fixed mouse pancreas tissue using the CoraLite®594-conjugated version of this antibody, CL594-67286 (Glucagon antibody), at dilution of 1:400. The B cells of the islets of Langerhans was labelled in green with CL488-66198(INS antibody).
